Ag & FFA Updates

As we closed up the 2021-2022 school year, Ag/ FFA students stayed very busy. The annual plant sale was a success and anticipation is in the air to get started in the greenhouse next year.

On May 12-14, 24 high school FFA members traveled to the NY State FFA Convention, in Syracuse, and had a fantastic experience. From educational sessions, to sessions to build upon leadership skills, to watching some of our very own members be awarded, it was a great

time. Members also got to complete community service in a variety of ways and they had the opportunity to attend a country concert starring LOCASH. Emily Elwood and Madelyn Pforter were recognized for receiving their Empire Degrees, which is the highest honor a member can receive in the state. Emily Elwood also was recognized for receiving her Proficiency Award in Agriculture Education, which was awarded based on her SAE experience. Emma Denkenberger and Maddy Pforter competed in the Agricultural Education Career Development Event and finished the competition placing 5th and 9th.

FROM THE DESK OF THE SUPERINTENDENT

DR. DAVID M. BROWN

Dear Community,

I hope you are enjoying your summer. We are preparing for the 2022-2023 school year and look forward to seeing your children back in September. The first day of classes is Tuesday September 6th, and it will be a full day.

I also want you to know that we are working this summer to reinforce our structures for safety. We are working with different companies to make sure our building is safe and secure. Remember, in order to come in, you must check in at the security window, show identification, get a guest pass, and then enter. While it can seem monotonous we must be diligent in our process of welcoming you and others into our building.

Finally, I wanted to share with you some changes we are making at the leadership level. As we progress past this pandemic, I wanted to make sure we had the support systems in place for student wellness and success. For the past few years we have had two people leading our Special Education department and think it best to put one person at the helm and have asked Mrs. Valente to lead us. Her new position will be the Director of Special Education and Mental Health. Mrs. O'Brien will be taking over the Elementary Principalship as well as leading our district in Professional Development. Finally, Mr. Rafferty will be dedicating his time as the 6-12 Principal. Mr. Rafferty will also be leading the afterschool enrichment program in addition to other initiatives. If you have any questions about this, do not hesitate to reach out to me. I know these changes may surprise you but I felt strongly that we needed one person at the Helm of Special Education and excited to see Mrs. Valente move into a District Leadership position.

I hope we continue to have wonderful weather and wish you relaxation and rejuvenation. As I have said many times these past four years, please reach out to me with anything.

6th Grade Orientation

I hope you are enjoying your summer! The 6th grade team cannot wait to see each 6th grade student and their families at the 6th grade orientation taking place on Wednesday, August 31st, beginning at 6pm. Please mark your calendars and watch Class Tag and your USPS mailbox for additional information about the event.

The 6th grade team is looking forward to meeting you/seeing you again in August!

5th Graders: Your elementary school family will miss you! We are proud of you!

Ag & FFA Updates

Congratulations Ladies! Overall, the convention was an amazing experience for all.

The Annual FFA Banquet was held on June 13 where members and their families gathered in the DCS Cafeteria to have a delicious meal catered by our own Shelly's and The Sugar Shack. After dinner, the crowd moved to the small gym for the ceremony, which was a great way to recognize and award those members who have gone above and beyond in their membership. Senior members Keely Worlock, Madelyn Pforter, Emily Elwood, Michael Townsend, and Christian Welsh were recognized for their time and given a parting gift. We will miss them greatly. The officer team did a fantastic job recapping the school year's happenings. Thank you, again, to our Alumni and Supporters Chapter for their help with making Banquet such a success.

Ag classes had the opportunity to go to the Hathaway's Tree Farm where they learned about planting spruce and fir trees. They were able to help plant several trees, which in a few years, will be ready to be a beautiful Christmas tree in someone's home. Thank you to Mr. Dean Hathaway and family for the experience. Mrs. Sandy Wilcox came into school to teach about making maple candy. What a sweet opportunity this was; thank you Sandy!! Students also were a huge part of the Petting Zoo, which elementary students got to attend. Maple cotton candy was ready to go as they left the experience. Thank you to 2 Kids Goat Farm, Pushlar Farms, Whispering Hill Equestrian Center, and Woodstead Farm for bringing your awesome animals!

It truly was an amazing school year and next year has so many exciting things in store! If you are interested in purchasing syrup, please reach out to Ms. Bass via phone, email, or facebook: 315-852-3400, ext-7400, bass@deruytercentral.org, or DeRuyter Ag/ FFA on Facebook. Thank you for your continued support of our program and chapter. Happy Summer to All!

Congratulations PreK Graduates!

PreK students participated in a graduation ceremony on Wednesday, June 22nd. Kindergarten, here they come!

Elementary Students Get “Silly” On Last Day

Elementary students pooled 250+ Rocket Fuel tickets together to “Pay the Principal” to do something crazy and silly. Students had three options to vote on: Pie the Principal, Silly String the Principal or Crazy Color Hair. Silly String the Principal collected the most votes, so on the morning of Wednesday, June 22nd students celebrated the end of the school year by spraying Mrs. Valente with silly string! Enough silly string was provided for two students to share a can so everyone got a turn, but as a special privilege students with perfect attendance and our graduating 5th graders got to use a whole can themselves.

Mrs. Wick and the 4th grade team even joined in on the fun! “Pay the Principal” will be back next year with more silly options, so plan on earning that Rocket Fuel!

Community Fun Day

Elementary students participated in a Community Fun Day on Wednesday, May 25th as part of a weeklong observance of Mental Health Month. Students got to choose a special activity station to participate in during the morning and the afternoon was packed with activities! Students played in kickball games, played on the playground, blew bubbles, got their arms or faces painted, visited a petting zoo and enjoyed maple cotton candy from the FFA! Special thanks to Miss Bass and the FFA membership for their work in collaborating with the local farmers to bring the petting zoo to life. It truly was a day of fun and making memories in our school community.

A Special Bond: 5th Grade and PreK

The 5th graders and PreK students shared a special bond this year. 5th grade students would often come into the prek classes to assist with crafts and projects and several special relationships and connections were built. 5th grade and prek even went on a field trip to The Wild together! This dynamic had a positive impact on all involved as 5th graders served as role models for our youngest learners and our prek students learned how special it is to be a Rocket.

Wow: Class of 2022 Earns 511 College Credits

Students in Grades 9 through 12 can earn college credits for free while sitting in the high school classroom. DCS offers concurrent enrollment courses through TC3 (Tompkins Cortland Community College) for several courses. These courses are Marketing, Business/Sports Management, Public Speaking, Introduction to Spreadsheets, Presentation Software, Keyboarding, Pre-Calculus, Calculus, College Algebra, Personal Finance, Broadcast Media, Environmental Science, American National Government, Economics, English 12, and Spanish. Furthermore, students have opportunities for college credit through BOCES Career and Tech programs.

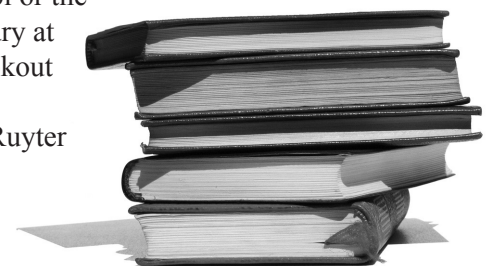

This year's seniors earned a total of 525 credits from TC3. Students can use these at TC3 or transfer the credits to the colleges of their choice. The highest earning seniors are Keely Worlock with 47 credits followed by Gavin Richardson and Leland Seamans both with 44. When students transfer these credits to their specific college, it provides them greater flexibility with their college program. This is a tremendous savings to students and families. AMAZING.... Great job, Seniors!

If you are interested in seeing what concurrent enrollment courses your son/daughter can take, please contact the Counseling Office at alger@deruytercentral.org.

Summer Time Reading with the DCS Library

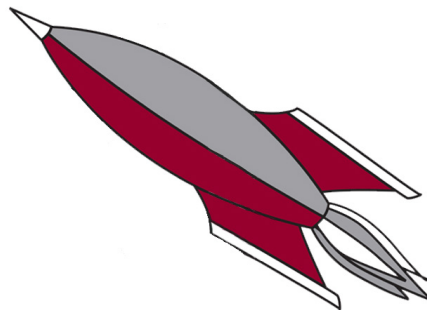

Book check out may be done for this school year, but Sora (our OverDrive reading app) is available 24/7, 365 days a year! The Sora app is free and DeRuyter students (and staff) can sign in using their school Google account to read and listen anywhere. Books (audio, text, and read-along) can be read online or downloaded to the app for reading on the go (so everyone can listen to their own book, instead of asking if you're there yet, on that family car trip).

Of course, it's also nice to read print books. The DeRuyter Free Library will be open regular hours during the summer, and the DCS library will be open for book exchange on Wednesdays during the Rocket Land summer program (9am-11am, July 6-Aug 10). DCS library books may be returned to the school or the DeRuyter Free Library at any time. Keep a lookout for cool summer programming at DeRuyter Free Library!
